

WELCOME ABOARD

Where catering meets conscience.

Buffet Atlas is a curated collection of cuisines, inspired by the chefs we work with from **Palestine, Syria, Afghanistan, Pakistan, Myanmar and Iraq**.

Since 2016, PichaEats has partnered with refugee chefs who fled war-torn countries and now seek safety in Malaysia. Through training and a platform to sell their cuisine, they earn a livelihood despite legal work restrictions.

Buckle up and let your tastebuds explore the world, one bite at a time!
