Bite-sized and gourmet

WELCOME ABOARD

Where catering meets conscience.

Picha Canape is a curated spread of bite-sized and gourmet finger food, designed to elevate your event.

Since 2016, PichaEats has partnered with refugee chefs who fled war-torn countries and now seek safety in Malaysia. Through training and a platform to sell their cuisine, they earn a livelihood despite legal work restrictions.

Buckle up and let your tastebuds explore the world, one bite at a time!
