## SURAYA HANI

*Google Review*

★★★★★

Hired their services for my Nikah and also wedding as half of my wedding party were Arabs. They all loved the food and desserts served. I customized both packages that I ordered and there wasn't any issue or hiccups with them. Communications were very smooth and so helpful! I have honestly always thought of Pichaeats every time I'm catering something.

*Highly recommended at all times*

## ELEANOR CHONG

I recently had the pleasure of hiring PichaEats for my wedding, and I couldn't be more thrilled with their service. As a social enterprise supporting a community close to my heart, they not only delivered exceptional food but also added a meaningful touch to our special day. I wholeheartedly recommend PichaEats to anyone seeking outstanding catering services with a meaningful impact.

*Thank you for making our celebration unforgettable*

## RAGHEV K

*Google Review*

★★★★★

Had a wonderful time with the good people at PichaEats. We had heard of their cause from their stories on social media. From Day 1, the team had been super accommodating to our ideas and perspectives. We didn't have to worry even once, about what was going to happen on the big day. We couldn't have asked for a more professional and welcoming group of people. In the words of everyone who I spoke to after the wedding, "We just wished we had taken seconds and thirds."
